

Instructions on how to submit your manuscript via CMT

1. Creating a User Account on CMT

- a) Visit the CMT website: <https://cmt3.research.microsoft.com>
- b) Click the Register link to create a new user account.
- c) Fill up your account information (Login information, Personal Information and External Profile Information; the items with * are mandatory). Read *the Microsoft CMT's Author's Statement, Terms of Use, and Privacy & Cookies*. Check the box for the agreement if you agree to the terms and conditions. Then, click the Register button placed at the bottom of the page.

Welcome to CMT !

Your account has been registered, please verify it by clicking the activation link that has been sent to this email address.

- d) CMT will send you an e-mail, the title of which is Account Verification. Verify your registration by using the activation link given in the e-mail. The e-mail will be sent from email@msr-cmt.org.
- e) Login to CMT with the newly created account.

2. Submitting your full paper to IHMTTC-2023

a) When you log in to CMT, you will see the console as shown below:

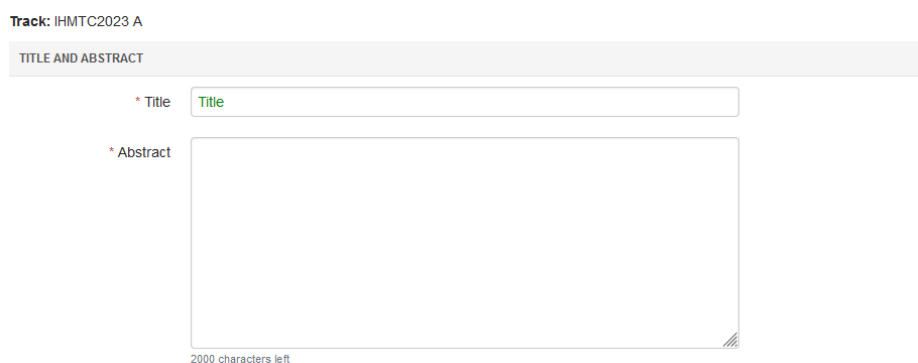

c) Type IHMTTC. Clicking the conference name will bring you to the Author Console for IHMTTC-2023 as shown below.

d) Submit a new contribution by clicking “Create new submission” as shown below. Choose the option IHMTTC2023 A from the dropdown.

e) Enter the relevant paper information and upload the full paper pdf step by step:
-TITLE and ABSTRACT

-AUTHORS

Your name and details will automatically appear here.

You can find collaborators by using the search box if they are already registered in CMT.

Otherwise, enter their e-mail addresses followed by others details for inclusion.

+ Add

Enter email to add new author.

It is **mandatory** to add all authors here if you want to see their names in the final proceedings.

Please **ensure** that the order in which the names appear matches with the order mentioned in the manuscript file.

-SUBJECT AREAS

Select your preferred Scientific Topic from the list.

Please select one Primary and one Secondary topic each.

SUBJECT AREAS *

You may select up to 1 secondary subject areas.

Primary	Secondary	Primary	Secondary
<input type="checkbox"/>	<input type="checkbox"/> Aerodynamics and propulsion	<input type="checkbox"/>	<input type="checkbox"/> Multiphase flow and heat transfer
<input type="checkbox"/>	<input type="checkbox"/> Combustion and automotive applications	<input type="checkbox"/>	<input type="checkbox"/> Nanoscale thermal transport
<input type="checkbox"/>	<input type="checkbox"/> Complex fluid flow and heat transfer	<input type="checkbox"/>	<input type="checkbox"/> Nuclear heat transfer
<input type="checkbox"/>	<input type="checkbox"/> Energy devices and systems	<input type="checkbox"/>	<input type="checkbox"/> Numerical methods for heat and fluid flow
<input type="checkbox"/>	<input type="checkbox"/> Fire Technology and Safety	<input type="checkbox"/>	<input type="checkbox"/> Phase change materials
<input type="checkbox"/>	<input type="checkbox"/> Fluid flow and heat transfer in microscale geometries	<input type="checkbox"/>	<input type="checkbox"/> Refrigeration and air-conditioning
<input type="checkbox"/>	<input type="checkbox"/> Heat and mass transfer equipment	<input type="checkbox"/>	<input type="checkbox"/> Space heat transfer

-FILES

You can upload a single file. The maximum file size is 10 MB. We accept pdf formats.

FILES

You can upload from 1 to 1 files. Maximum file size is 10 Mb. We accept pdf formats.

-ADDITIONAL QUESTIONS

ADDITIONAL QUESTIONS

1. Presenter Name *

Please enter the name of the presenting author as it appears in the manuscript.

125 characters left

2. Consent *

By submitting this paper, you agree that all authors are aware of and consent to this submission.

I agree

3. Plagiarism consent *

You agree that the maximum text similarity in the paper (including references) is less than 20 %.

I agree

Submit

Cancel

f) Submit your full paper when you are ready!

g) “Edit Conflicts of Interest” subsequently appears. This process is **not mandatory** for completing the submission, but will help to facilitate the review process. The console shows you

-a co-author

-is/was a colleague (In the last 2 years)

-is/was a collaborator (in the last 2 years)

-or I, is/was a Primary Thesis Advisor at anytime

-is a Relative or a friend

First Name	Last Name	Organization	Selected Conflicts	Conflicts	Edit
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>		<input type="button" value="Edit"/>
<small>Clear</small>	<small>Clear</small>	<small>Clear</small>	<small>Clear</small>		

a co-author
 is/was a colleague (In last 2 years)
 is/was a collaborator (in last 2 years)
 or I, is / was a Primary Thesis Advisor at anytime
 is a Relative or a friend

- h) CMT will send you a confirmation email entitled “27th National and 5th International ISHMT – ASTFE Heat and Mass Transfer Conference IHMTTC – 2023: Submission (#) has been created.”
- i) Open the Author Console and confirm that the contribution appears in the console.

Author Console
